

MENTORING FOR LEADERSHIP

January /February Department of Maryland

And the Award Goes to... At the recent Christmas conference, districts 7, 10, and 14 got awards for being 100% reported and Wells McComas Auxiliary 2678 got an award for turning in the very first report of the year. Congratulations!

Don't forget that in every report, I put a single word in italics. Let me know what the word is and you will be entered into a drawing for a prize at the department convention.

I have a challenge for everybody. In addition to elected offices like president or secretary, we have several departments like youth activities, americanism, and of course mentoring for leadership. Your challenge is to get a newer member, someone installed within the past 12 months, to become a chairperson of one of these departments. You can do this by *remembering* National Ambassador, Francine Cornish's advice to C.A.R.E. about new members.

- C - Catch the member when they first join.
- A - Ask them to participate.
- R - Remember what it felt like to be new.
- E - Engage them in a Program that fits them.

The last part is important. “Engage them in a program THAT FITS THEM.” New members will get excited to be a chairperson if it aligns with something they are already passionate about. I look forward to reading how it goes in future reports.
