

DEPARTMENT OF MARYLAND VFW AUXILIARY

Be a Veteran's P.A.L.

Chaplain

March 2024

Reporting of Deceased Auxiliary Members

In preparation for our State Convention and to ensure member names are included in the Memorial Program. The name of deceased **Auxiliary members should be provided to me by 4/1/2024**. There will be no exceptions.

Announcements to Chaplain Mailbox

I encourage Chaplains to take a minute and make sure you include all information in your announcement when you send them to me.

Also, when replying to an email I've sent, please email me directly at vfwauxmdchaplain@gmail.com if you have something to reply about; do not reply to all, this makes it very confusing for everyone.

Report Form

At the top of the Form. Include: Total # Volunteers, # Hours, Mileage Only, and Total Value of Report (*which includes the cost of cards and postage*).
