HUBBARD'S CUPBOARD

NATIONAL Candy Day
NOVEMBER 4TH

Calling all sweet tooths because today is National Candy Day! The Egyptians got the recipe for making the first candy. Instead of melting candy with sugar, they sweetened milk with honey. They then mixed the honey with figs, dates, almonds, and nuts.

Write a commercial ad for the first Egyptian candy using persuasive language.

Make sure to name your product.

There are some great days in November to celebrate with patients, hospital staff and fellow volunteers. I hope you are inspired to start planning for the November Fun Day Holidays!

Don't forget to work on your Healing Pouch. I have more, call me if you want one.
