Not able to volunteer in a school? Consider reaching out to a teacher you know and ask them to have their students make cards. If your Auxiliary can, consider donating craft items to the classroom to facilitate the activity.

As a reminder, please include the following on your report form: total project hours, mileage, and total cost of your project cost.

Be sure to check out the Veterans Day documents for an educational picture story about the branches of military as well as different coloring pages that can be done with the youth: www.vfwauxmd.org→Programs→YouthActivities (Examples of the documents are below)

I want to say THANK YOU to the auxiliaries that have sent a report thus far. For those that have not now is a great opportunity to contact schools, church youth groups, youth sports groups, youth community groups. On your report please be sure to explain how the Youth were involved.
