Air Force

Army

Navy

Marine

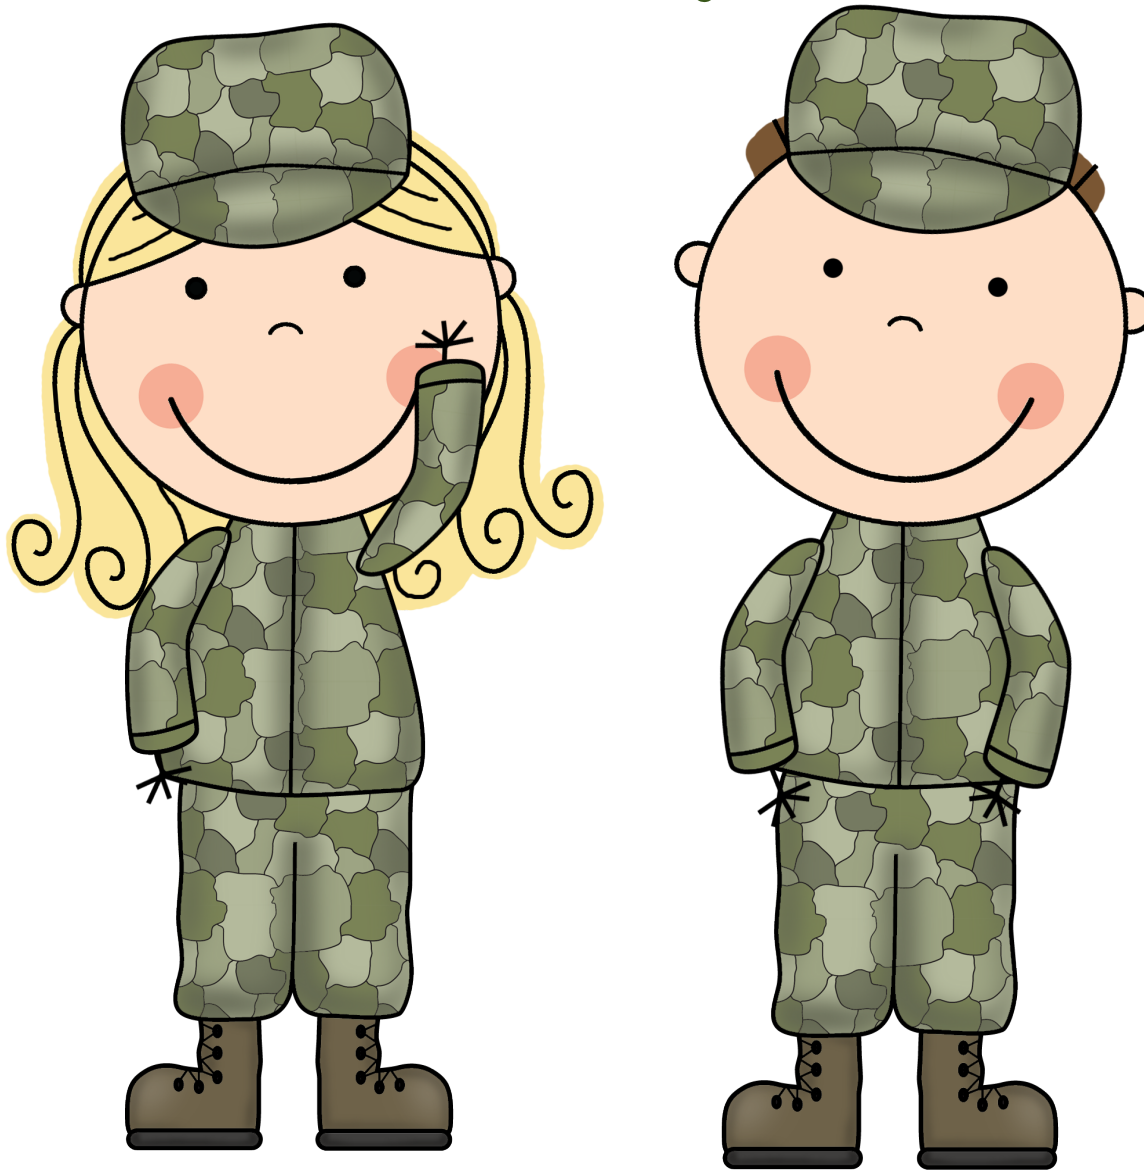

Coast Guard

The military consists of five main branches:

Army, Navy, Marines, Air Force and Coast Guard.

These five branches work together to help defend our country and protect our freedom

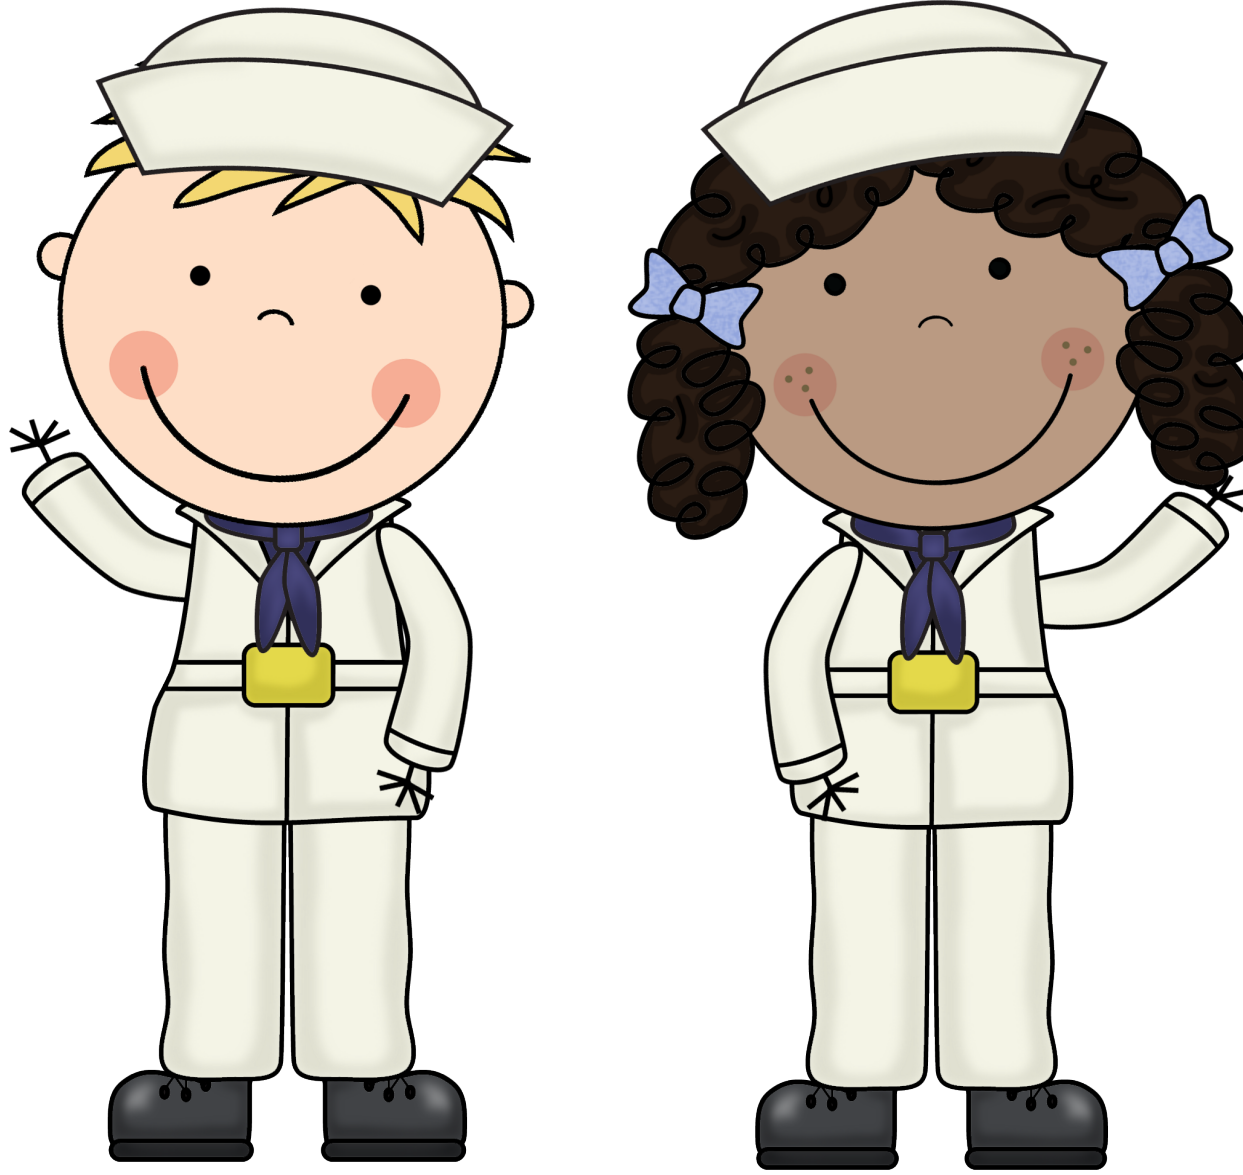

# I see Army Soldiers.

Soldiers enlisted in the Army defend and protect our country from the ground.

# I see the Navy.

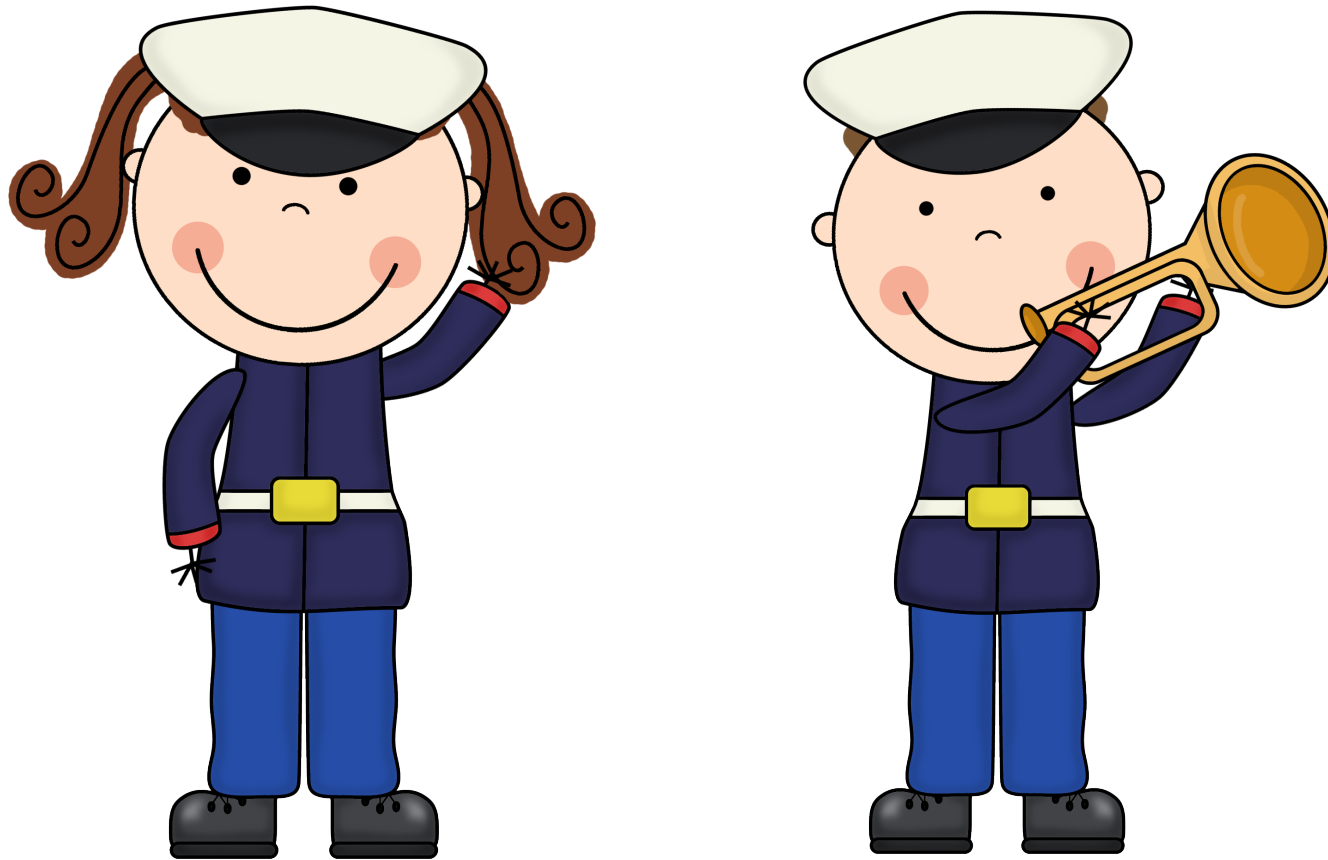

Soldiers enlisted in the Navy are called Sailors. They defend and protect our country from the oceans.

# I see the Air Force.

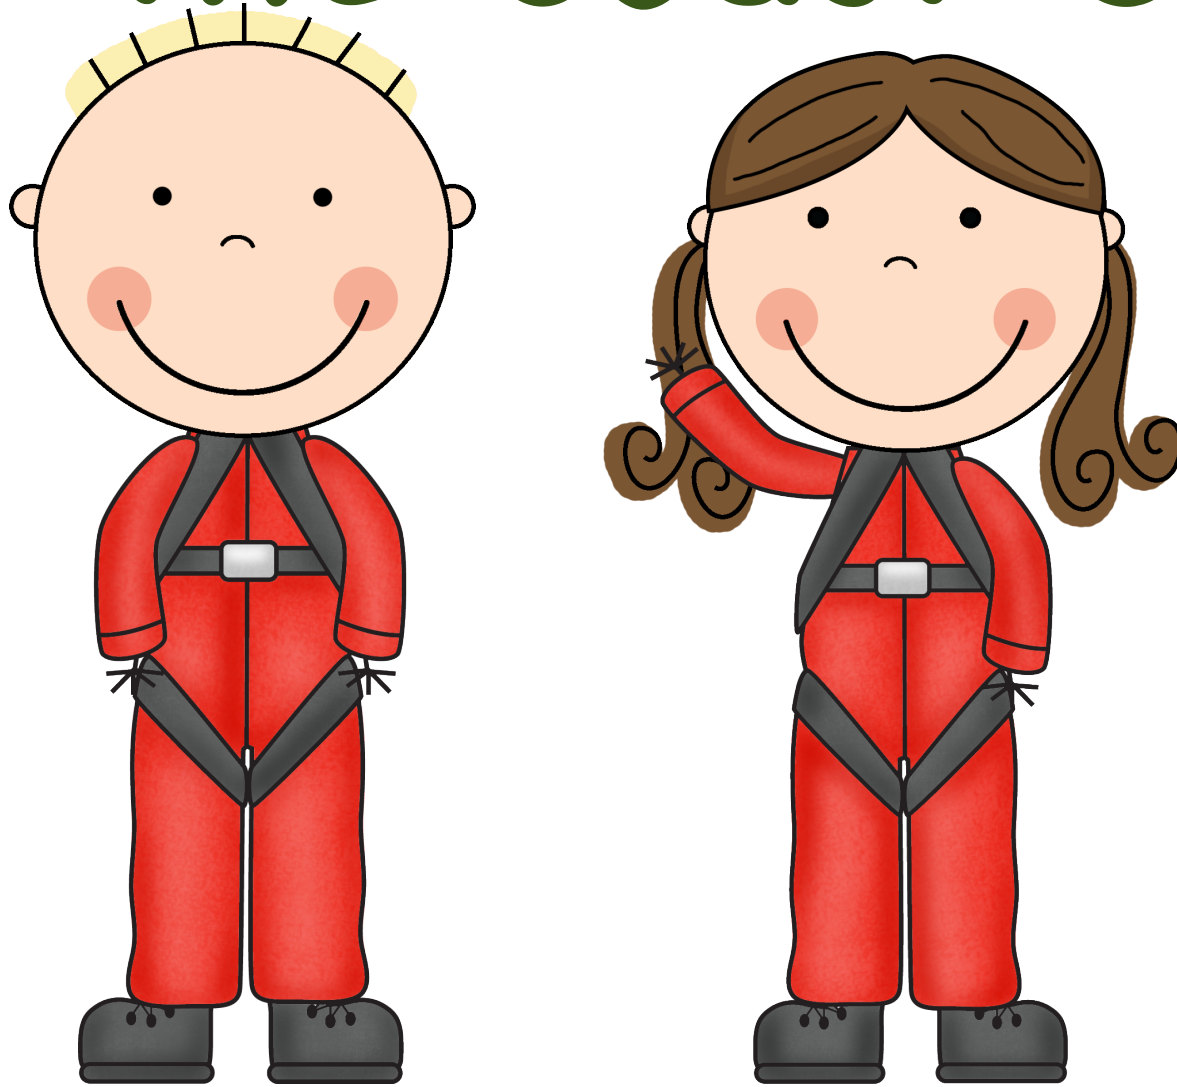

Soldiers enlisted in the Air Force are called Airmen. They defend and protect our country from the air.

# I see the Marine Corps.

Soldiers enlisted in the Marine Corps are called Marines. They defend and protect our country. They work with the Navy to launch their missions, but are able to work from the ground, air or Oceans. Marines are sometimes referred to the Presidents Men.

# I see the Coast Guard.

Soldiers enlisted in the Coast Guard are called Guardsmen or Coasties. They defend and protect our country from the coasts of the United States.

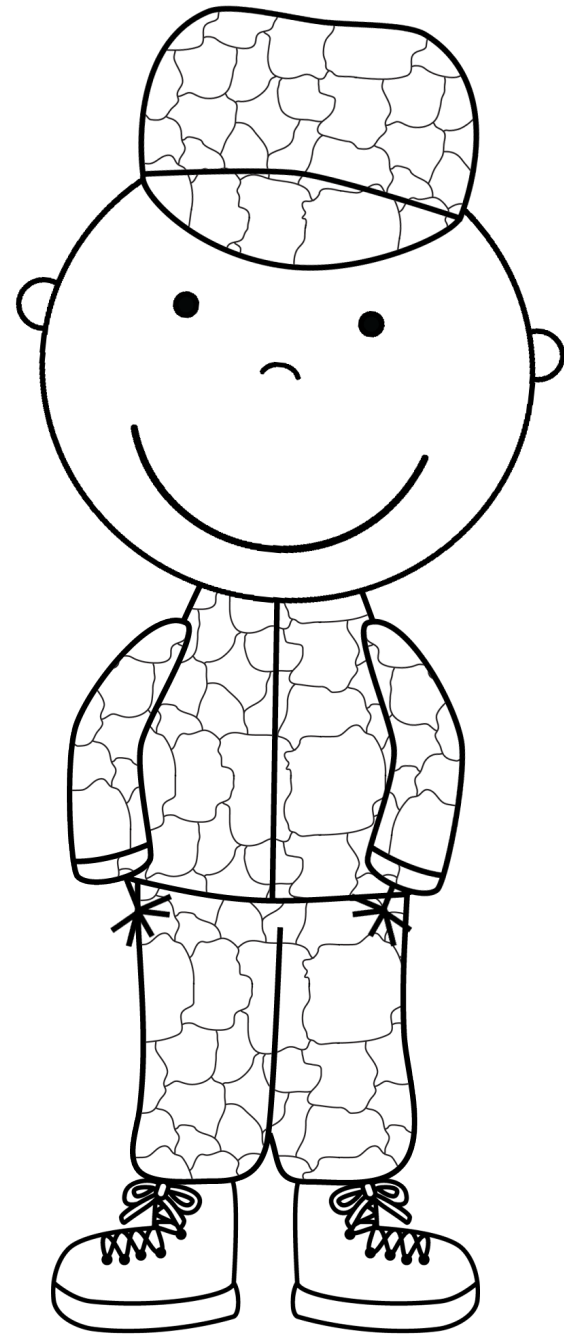

# Thank You Veterans!

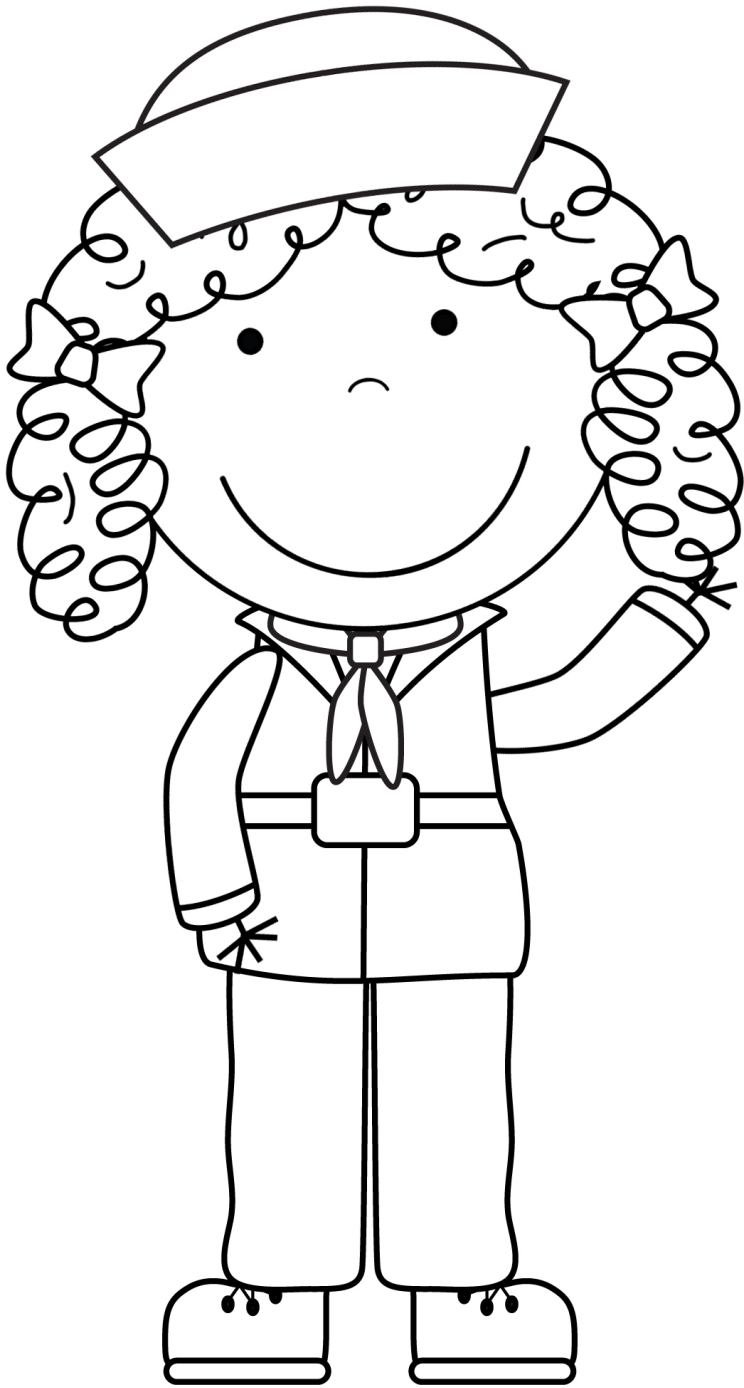

Many Soldiers have been wounded or killed while defending and protecting our country. We are thankful for all the men and women who have served and are serving our country!
