

VFW Auxiliary Department of Maryland

Legislative

August / September Promotion

Hi fellow Legislative Chairman, welcome to a new reporting year. I'm looking forward to helping you succeed in your chairmanship.

One of the main objectives of the legislative program is to improve the lives of our veterans, service members and their families through advocacy. Your reports should reflect how you and your auxiliary members are contributing to these goals.

Legislative information can be found on the VFW Aux Dept of MD web page and national information on MALTA.

VFW Priority Goals

Select one or two legislative goals that you can communicate to your local legislators. The VFW Action Corps also has links to priority goals and at times there are specific actions for advocating. At your auxiliary meeting present your written goal message and ask members to mail or email their legislators.

VFW Action Corps

At your next meeting find out and record how many members are getting and reading the Action Corps weekly. Encourage members to sign up, you may also offer to help them sign up after the meeting. Remember to report when additional people sign up.

VFW Auxiliary Department of Maryland

Legislative Reports

Reports are slowly coming in, please make sure to report what You and your AUX members are doing each month. There are a lot of priority goals so you should have no problem sending a report. Remember when communicating to legislators and reporting, that we are advocating for veterans, service members and their families.

For those that missed me at the SOI, here's a picture of me at my legislative display for team M&M. Remember to have some fun and make the job easier.

William Siperek

VFWA Department of MD
Jr. Vice President &
Legislative Chairman
