You can also volunteer at local hospitals and nursing homes.

# This year we are going back to the basics...

The Auxiliary Hospital Program is essential to our Veterans and equally rewarding to the volunteers who dedicate their time to serve those who have served.

We are going to be the hospitalized veterans' little ray of sunshine.

As Volunteers, we can sit with Veterans, read to them, or just listen to them.

Sometimes we may be the only visitors they may have.

If you didn't receive my Hospital Program, please contact me and I will forward it to you.

To be eligible for award pins you must be a regular scheduled volunteer and have the volunteer hours.

## August Planning Fun Days

There are some great days in August to celebrate with patients, hospital staff and fellow volunteers.

I hope you are inspired to start planning for the August Fun Day Holidays!
