

CHAPLAIN'S
CORNER

October 2024

Dear Lord,

As we gather in October, we lift our hearts in prayer for our beloved nation. We are grateful for the freedom that we enjoy, the opportunities that we have, and the beauty that surrounds us in this great land.

We pray for unity among our people, that despite our differences, we may stand together as one nation under God. May we remember the principles of liberty, justice, and equality that our country was founded upon.

We remember those who have served and sacrificed for our freedom. We honor their bravery and pray for the comfort and strength of their families.

As the leaves change color and the air turns crisp, may we embrace the spirit of change and growth in our own lives.

May we strive to be better citizens, neighbors, and stewards of this land that we love.

In this month of October, we pray for the safety and well-being of all Americans. May we face the challenges ahead with resilience and resolve, knowing that we are blessed to call this nation our home.

In Your name we pray,

Hello,

It doesn't take much to cheer someone up, or even make someone's day with a random act of kindness. Here are some fun silly days to celebrate in October. You could send a card to a member or drop off a chocolate cupcake or Frappe and visit for a few minutes. If you know of an elderly member or a member who just can't make it to meetings anymore, this is a good way to let them know your Auxiliary is thinking about them.
