October 2024

Hello President's Special Project Chairmen,

Patriot Point is the Military Bowl Foundation's 294-acre retreat that provides a safe, secure, relaxing environment for our nation's wounded, ill and injured service members. The Military Bowl Foundation is a 501C non-profit organization that operates premier events in the National Capital Region to benefit our nation's current and former service members.

When visiting Patriot Point, there is a wide variety of activities such as cooking classes, cornhole board building, crabbing, fishing, kayaking, golfing and other activities.

Besides monetary donations, you can assist Patriot Point in offering Art Therapy for healing with supplies such as easels, oil paint, canvas – various sizes, brushes, palettes, acrylic paint, watercolor paint, colored pencils, drawing pens and pencils, mixed media paper for different mediums, watercolor pencils/ pen and ink/ color pencils and Journals for writing.

With your donations, Patriot Point works with veterans and military service organizations to help guests heal through organized recreational activities.

Department President Debbie Sturgis aims to raise \$40,000 for Patriot Point.
