President's Special Project - Patriot Point November 2024

Greeting President's Special Project Chairman, Officers and Members,

Let's help Department President Debbie to achieve her goal of \$40,000 for her special project.

With your monetary and physical donations, Patriot Point will work with veteran and military service organizations to help guests heal through organized recreational activities. When visiting Patriot Point, veterans have a wide range of activities to do including: cooking classes, cornhole board building, crabbing, fishing, kayaking and golfing. They can also just sit back and enjoy the serene tranquil landscape. Additionally, while visiting Patriot Point, our nations heroes will be in a safe, secure and relaxing environment.

Visitors can also engage in art therapy which could assist them in healing and serve as an outlet and expression for their emotions.

The following art supplies are needed: Easels, oil paints, various sizes canvas, brushes, palettes, acrylic & watercolor paints/pencils, colored pencils, drawing pens and pencils, mix media paper for different mediums and journals or notebooks which can be used for writing.

Sending in a report with “Nothing to Report” Does not count as a report.

All \$MONETARY\$ donations should be sent to Department Treasurer
