

## PRESIDENT'S SPECIAL PROJECT PATRIOT POINT

### **About Patriot Point**

Patriot Point is the Military Bowl Foundation's 290-acre retreat that provides a relaxing and safe environment for our nation's wounded, ill and injured service members, their families and caregivers. Thanks to the generosity of supporters, Patriot Point works with veteran and military service organizations to help guests heal through organized recreational activities and peer-to-peer communication.

When visiting Patriot Point, there is a wide variety of activities in which guests participate. Past retreats have included activities such as art classes, cooking classes, cornhole board building, crabbing, fishing, hunting, fitness training, skeet shooting, water polo and Yoga.

### **Support Patriot Point**

Patriot Point is the perfect place for wounded, ill and injured service members, their families and caregivers to unwind and enjoy solitude. To continue providing this amazing place for its guests, their families and caregivers, Patriot Point needs your support.

Whether it's volunteering at Patriot Point, sponsoring a retreat or making a donation, Patriot Point relies on the generosity of others to make its impact.

### **About The Military Bowl Foundation**

The Military Bowl Foundation is a 501© (3) nonprofit organization that operates premier events in the National Capitol Region to benefit our nation's current and former service members.

Originally formed to operate the region's first-ever college football postseason bowl game, the Foundation now not only operates the Military Bowl presented by Perspecta but additionally operates the DC Touchdown Club and Patriot Point, a 390-acre retreat for recovering service members, their families and caregivers on Maryland's Eastern Shore.

The Foundation hosts engaging events throughout the year to raise money and awareness for our service members and looks forward to continuing to extend its reach and benefit those who give so much of themselves for our country.
