

Veterans of Foreign Wars Auxiliary Department of Maryland MEMBERSHIP PROGRAM AUGUST 2024

Greetings Auxiliary Members,

I hope everyone had a great 4th of July with family and friends. That was a great time to use your tools on MALTA to recruit members and convert Annual members to Lifetime memberships. This year we will be giving out money and we want everyone to have a chance to win. It could be you! Treasurers, please send me a copy of the paid receipts for those members converting to life. Thank You for your continued support. I'm proud to be a member of an organization that supports its Veterans and families and hope you share my passion for growing our Department of Maryland.

We are now using a QR code to assist us in educating our prospective members about what we do and what we have to offer. At the School of Instruction, I gave out labels to Presidents and /or Membership Chairmen to use on the applications. The labels provide great talking points. Don't forget to add your contact information and get theirs as well. Included in this mailing is a sheet of labels that you can use to inform and recruit members.

I have some exciting news; We are well on our way with membership! As of today, July 22, 2024, the Department of Maryland is in 2nd place in the Eastern Conference with 73.08%. Kudos to all of you that have brought us this far. Let's try to work hard to reach No. 1. We can make this work with your help! Teamwork makes Great Membership work, don't forget to get your team names to me by September 30th. There will be a judging on the best names and your auxiliary will have a chance to win \$100.00 and bragging rights for the year. Remember to have FUN with it!
