AUGUST 2025

Hello –

Even though there is not a report form for Chaplain this year, please let me know if there is any news that needs to be shared with everyone. I still need to hear from you so I can send cards out from the Department. Remember, we want to acknowledge not only the sad things, but the glad things too! As I write this column, I have already sent out 20 cards from The Department!

Please look at the Veterans & Family Support report form. That is where you will report the number of cards you sent, what kind of cards & the cost.
