

DEPARTMENT OF MARYLAND VFW AUXILIARY

HOSPITAL PROGRAM

August 2025

"A FORCE FOR OUR VETERANS"

The Auxiliary Hospital Program is essential to our Veterans and equally rewarding to the volunteers who dedicate their time serving those that have served.

Gratitude for Your Generosity

Thank you for your generous food and monetary donations in support of our initiative, **BE A FORCE FOR OUR HOMELESS HOSPITAL VETERANS.**

Your contributions directly help us provide nourishment for homeless veterans who seek care at VA facilities—each donation makes a meaningful impact.

Reporting and Prize Drawings

My fillable report form is on the Department website. Please use one report form for each month, my email address is on the form. If you use snail mail, please mail the original report form. For each report submitted, you'll earn **one ticket** toward the prize drawing at the Department Convention. 🍀 **One winner will be selected from each membership group.** Submit your reports, stack your chances, and good luck at the convention!

Raffle Opportunity

Auxiliaries who signed in at the Hospital table at SOI received a raffle ticket for a \$25 drawing at the September COA. There will be one winner.

If you didn't receive my Hospital Program at the SOI, please contact me and I will forward to you.

A heartfelt congratulations to Cheri Brown for successfully recruiting a hospital volunteer. Every step forward strengthens our mission—thank you Cheri for making a difference.

Every small act of kindness ripples outward, touching the lives of veterans who have sacrificed so much for our country. Through your steadfast support—whether by reporting your hours, donating, or simply spreading the word—you help create a network of compassion and hope. Together, we are not only meeting essential needs but also delivering the encouragement and recognition our veterans deserve. Let’s continue this momentum, lifting up our hospital program and each other as we move forward as a “Force for our Hospitalized Veterans.”
