

JOINT PROJECT 2025 – 2026

Hard to believe but, with all the holidays right around the corner, your post and auxiliaries should be starting to think of ideas to raise money to create a “Giving Basket or 2” to the McVet veterans. (Remember to check the Wish List from SOI)

Send me an email letting me know what your auxiliary is doing , I love to read your ideas for our veterans.

I will have amount donated / collected next month. \$\$

We had 23 auxiliaries report for the month!!

As Yoda says” The greatest teacher failure is. “

As far as our auxiliaries go “The greatest report failure is the one not written “

Please be sure to send your checks to Jackie Kimball, earmarked Joint Project.

REPORT your service hours, time , cost to VaNette Jones Veterans & Family Support chairman.

Best Regards, Joint Project Chairman- Crystal Windsor –
