

JOINT PROJECT 2025 – 2026

October Promotional Mailing

Are you working on a fundraising project to help the McVet's veterans? Send me an email letting me know what your auxiliary is doing for the McVet's veterans. Start a fundraising project to donate to the Joint Project with the VFW – the shuttle bus needed to transport the veterans.

My November Report will give the amount collected so far.
Send your checks to Jackie Kimball,
earmarked *Joint Project*.

Boosting the Morale of the McVet's Veterans.....

As you are planning your fundraising project for the McVet's shuttle bus fund, let's help the McVet's veterans to stay positive and help them to better socialize at the facility. What better way than to interact with games and activities. On their Wish List are:

- * Board Games * Dominos * Playing Cards * Books
- * Jigsaw puzzles of 500-1,000 pieces * Sketch books * Journals

For those auxiliaries willing to help but unable to personally deliver any donations, here are some items that can be ordered online at Walmart and delivered by them directly to McVets. Report any donations that you make.
