

JOINT PROJECT 2025 – 2026

November Promotional Mailing

Our Joint Project with the VFW this year is helping to raise funds to purchase a shuttle bus that is needed at MCVET in Baltimore to transport their veterans to their medical appointments, job interviews, and other obligations. Currently, our auxiliaries have raised **\$2,225**.....a slow start but we can do so much more.

Let's help MCVET's!

Send your checks – large and small - to Jackie Kimball, earmarked *Joint Project*. And if you can, consider donating some cold-weather items to help the MCVET's vets get ready for our Baltimore winters.
