New Membership Application Coming January 1, 2026

YES YOU ARE READING THIS CORRECTLY, our National Organization will be implementing a new Membership Application for us to start using January 1, 2026. I will have some to be distributed at the Christmas Conference so that you will have some on hand to use starting in January. Once this application is rolled out, **YOU WILL NOT BE ABLE TO SUBMIT ANY PREVIOUS (OLD FORMAT) APPLICATIONS.** **OLDER APPLICATIONS SUBMITTED AFTER JANUARY 1, 2026 WILL BE RETURNED.**

HERE ARE A FEW THINGS YOU WILL NEED TO KNOW:

- As I stated starting January 1, 2026, we will no longer accept any of the previous formats of our Membership Application. Please destroy, get rid of all the previous versions of the Membership Application. Auxiliaries should reach out to their recruiters, to make sure they know not to use the old Membership Applications starting January 1, 2026.
- Credit card payments will be handled differently. No credit card information will be entered directly on the application. The person applying and paying by credit card should enter a phone number and/or their email address. They will receive a link to their email address or they will be given a access to the payment center through a phone call where they will be able to complete their purchase. If their payment is not processed within 30 days after the link is sent the application will be voided and if the person still wants to join, they will have to start the process again. **It is important that you inform the person applying for Membership and paying by credit card to be on the lookout for the link, because they are not officially a member until their payment is process and approved through their credit card company.**
- Those applying for Annual Membership will be able to pay by credit card if they choose to.
- Also with this application, VFW Recruiters will be able to enter their Membership Number and National will be able to track and give them recruiting credit through MALTA.
- This new application also makes it clear, that when entering a location, we want a "Foreign" location that agrees with medals awarded and service dates.
