

## DEPARTMENT OF MARYLAND—APRIL 2026

**Thirty-six** Auxiliaries rise with pride,  
 One hundred percent standing side by side.  
 Their dedication lights the way,  
 A beacon strong for us today.

**Seven districts**, bold and true,  
 Have reached their mark — and we can too.  
 With hearts committed, spirits high,  
 There is no goal we can't draw nigh.

Under the leadership we proudly share,  
 Of **Bill Siperek** with vision and care,  
 We move ahead with purpose clear,  
 Knowing our moment is drawing near.

And as your Membership Chairman, I stand,  
 Extending hope and a guiding hand.  
 Encouraging each of you to see,  
 The power in our unity.

For the journey calls for just a few more,  
**Seventy members** to reach our score.  
**Seventy voices**, strong and new,  
**Seventy hearts** to carry us through.

Each one matters — don't delay,  
 Invite someone to join today.  
 A friend, a family member, neighbor too,  
 There's a place right here for them — and you.

We are the strength of those who serve,  
 Honoring veterans with the respect they deserve.  
 With loyalty, faith, and purpose strong,  
 Together is where we all belong.

So let us rise and meet the call,  
 For together, we can achieve it all.  
**Seventy more — within our sight,**  
**Let's finish this journey with all our might!**
