

Greetings Auxiliary family-

This is the final monthly mailing of the 2025-2026 program year. Please ensure that all reports have been submitted to your Department Chairman. Reports are due by April 15. Don't forget to review and submit entries for the National Program Awards.

Nominations and elections of officers must be held at your regular April business meeting. Your Auxiliary is required to elect and install, at a minimum, a President, Senior Vice President, Junior Vice President, Secretary, Treasurer, and one three-year Trustee for the 2026-2027 term. A completed 2026-2027 Installation Report will **not** be credited unless all seven (7) of these offices are filled.

Please remember that, in accordance with Section 801 of the Bylaws, the President, Secretary, and Treasurer may not serve as Trustees. A Trustee, however, may hold another elective or appointive office other than President, Secretary, or Treasurer.

Secretaries, **please do not submit Installation Reports to National Headquarters.** If you are unable to input the report into MALTA, please send it to me and I will gladly enter it in MALTA for you. Regardless, a copy of the Installation Report must be forwarded to me.

You are also reminded that delegates must be elected for the District, Department, and National Conventions. The number of delegates to be elected is determined by your membership total as of March 31.

National Convention information is available on the National website - [2026 National Convention - VFW Auxiliary National Organization](#)
