Hello everyone,

We are off to a good start for 2026-2027 as we work in unity for our veterans and embrace the future. I just want to share some information from our National Ambassador for the VFW National Home Program. Ambassador Mary Anne Kreutz's focus this year is to educate everyone about the National Home and fill all 43 houses. She encourages us to raise funds to build more houses at the Home and help maintain the homes and other buildings on the grounds. Ambassador Keutz is emphasizing getting the word out about the help line 1-800-424-8360. Encourage those in need to call or email the National Home at vfwnationalhome.org.

Did you know?

The Department of MD sponsors a home at the National Home BUT that does not mean that a family from MD is placed in that home. Families are placed in the homes based on suitability to their size and needs.

Fundraising

Try a weekly 50/50 in the canteen on your busy night. Members take turns working the fundraiser. Earmark proceeds for the National Home and advertise it as such.
