Hello everyone,

The VFW National Home does more than provide a house to live in. The National Home offers resources, guidance, and encouragement to help residents reach independence. Remember to encourage anyone in need to call the help line at 1-800-424-8360 and continue getting the word out about all their wonderful opportunities. Keep working in unity for our veterans as we embrace the future and keep sending those reports. Thank you for all the work you're doing "Serving America's Heroes"..

Did you know?

We have exciting news from the National C of A meeting at the convention in Reno. The National Council voted to purchase a new home with funds collected over the years from your \$.10/member donations to the "Health and Happiness" fund. This home plus a donation from Florida for another home will bring the total number of homes on campus to 45!

Fundraising

Host a Bingo event with prizes related to "Home" living like baskets of bathroom accessories, quilt and bedroom decorations, dinner ingredients... Earmark proceeds to VFW National Home.

Remember to send me your suggestions for creative fundraisers for the National Home to be placed in a drawing at Christmas Conference.
