REPORT SMART. REPORT WELL. MAKE IT COUNT.

Americanism reporting is about quality not just quantity.

REMEMBER: It's not the **QUANTITY** of reports you send to me, but rather the **QUALITY** of the work you do.

At your Auxiliary meetings, make notes of the flags distributed and the flag stamps used by your members, then compile your numbers for your Americanism Reports.

PATRIOTIC HOLIDAYS COMING UP

OCTOBER 7	Global War on Terrorism & Desert Storm Veterans Day
OCTOBER 26	Day of the Deployed
NOVEMBER 11	Veterans Day
DECEMBER 7	Pearl Harbor Remembrance Day
DECEMBER 7	Bill of Rights Day

YOUR NUMBERS MATTER

Please see the revised Americanism Report Form.

The line for your important numbers — **hours, costs, miles, and volunteers** — has been lightened.

Those numbers are extremely important and must be included on each report. Use a black Sharpie if necessary.
