Hello Everyone,

Please keep up the good work educating everyone about the opportunities at the National Home. Check out the VFW National Home page (vfwnationalhome.org) and their Facebook page for their latest activities. Thanks for all your reports and remember when you send donations to Department Treasurer, Jackie Kimball - also send a report to me to get credit for your work!

Fundraiser:

Arrange 8-10 lottery scratch-off tickets in picture frame in the shape of a house. Raffle off the “house” at a post/auxiliary function and earmark the proceeds for the VFW National Home.

Don't forget to send me suggestions for creative fundraisers for the VFW National Home and I'll place your auxiliary in the drawing at Christmas Conference.

Did You Know?

The Mid-Michigan Chapter of the non-profit, G4V (Guitars for Vets) helps vets facing PTSD, physical injury, and emotional challenges with the healing power of music. They meet at the VFW National Home to provide opportunities for fellowship, community, and connection – including private lessons and group sessions.
