President's Special Project
September & October 2022 Promotion

Happy Fall President Special Project Chairman & Auxiliary Members!

As we continue to promote our Department President Wayne LaFleur's Special Project Truckin4Troops let me provide you with some additional information about this wonderful organization.

Their mission statement reads: Truckin4Troops is dedicated to supporting our troops, military families, Gold Star families, and to serve our wounded servicemen and women in every way we can.

There are three core principles that a Truckin4Troops volunteer must have:

- ☆ ***Never make a promise that you cannot keep!***
- ☆ ***If given the privilege to serve a wounded veteran, do it with your all and nothing less!***
- ☆ ***Most importantly, it is NEVER about you - It is ALWAYS about them!***

Not only is Truckin4Troops a non-profit service oriented organization but they also assist veterans and their families. See the common goal between them and us? We both assist our veterans and their families!

By donating to this worthy organization we have utilized another avenue in which we can assist and support our veterans. Plus one hundred percent (100%) of the money raised by Truckin4Troops goes to provide services to our military services members and their families. So let's support this worthy cause!

Mission of Truckin 4 Troops

History: In December, 2010, the group knew that they wanted to help American military servicemen and women and their families in any way that they could. They started with the thought of helping out a military family who was struggling financially and help them with their Christmas gifts. That led to discussing ways to show military families and veterans that they appreciate those who have sacrificed for our country.

Their WHY: To support Military Families, Wounded Warriors, and Veterans! A desire to give the ultimate thank you for their service and empower them to know that fellow Americans are appreciative of what they do to defend our country.

Truckin4Troops Impact: Since 2010, the group have helped out thousands of service members and their families with everyday struggles and beyond. They

I would like to thank all of the auxiliaries who had sent reports so far. I am looking forward to reading about all of the ways in which each auxiliary has chosen to promote and support this very special project.
