

WHEELCHAIR QUILT

This wheelchair quilt is very simple and easy to make. It can be patchwork or one solid fabric.

The quilt measures 36" x 36" with the bottom of the corners cut out to make way for the wheels of the wheelchair.

For patchwork version -

1. Cut 16 x 9 $\frac{1}{2}$ " fabric squares.
2. Sew into four rows of four.
3. Using a quilting ruler and rotary cutter, cut the two outside bottom squares diagonally.
4. Quilt and bind as desired.
